

# Mountain Rescue England and Wales FUNDRAISING PACK

Thank you for requesting  
our Fundraising Registration Pack.  
And thank you for your fundraising efforts  
– we couldn't do it without you!

Thanks to the money you raise, we can support the 58 mountain and cave rescue teams (49 mountain rescue teams + 9 cave rescue teams) across England and Wales in their work delivering this vital community service at local level.

We do this through the provision of nationally-run training courses and key items of kit, as well as helping insure the team vehicles which keep the teams on the road — so their locally-raised funds can be put to use where they're needed: helping the casualty.

This pack contains everything you need to let us know what you are doing, when you are doing it and what fundraising support you need from us. We can also advise you on writing press releases, gaining auction or raffle prizes and promoting your event — you only have to ask!

To register your event, please complete pages 2 and 3 electronically and return them to **events@mountain.rescue.org.uk** or, if you prefer, you may complete a hard copy and post it to **MREW Office, PO Box 17664, Tamworth B77 9QB**.

Once we have received your registration, we will supply you with a copy of our sponsor form. Following your event, please send the Funds Return Form to us, together with any completed sponsor forms and your donation.

And if you'd like to see your event featured in Mountain Rescue magazine, let us know so our Editor can talk to you about words and photos. We love to promote the good work of our fundraisers — and the quirkier the story the better!

If you require any further information or need any assistance, please don't hesitate to email us on **events@mountain.rescue.org.uk**.
